# THE CLEAR SERIES OF JELLY JOY

The "Clear Series" is quite different from the low-cost transparent dildos on the market. Because of innovative techniques and using high-end quality material we have made the "Clear Series" resembling the real manhood and crystal clear.

The "Clear Series" is an elegant and luxurious world-known line of the Clearstone series.

**RIDE THEM!**  
**THEY WILL DEFINITELY LEAD YOU TO THE OTHER SIDE OF THE WORLD!**

These clear and easy to clean dildos have a realistic design with a strong suction cup. They can be stuck firmly on any smooth surface so that they can be used in different ways. Available in different shapes in clear colour.
