Wetlook (50% Polyurethane, 50% Polyester)

This product is made of elastic knitwear that is laminated with Polyurethane giving it a 'wetlook' appearance. The shiny fabric is very elastic and fits smoothly around your body for a very comfortable and sensual feeling. For wetlook products we suggest not to expose the material to heat or sun (for a longer time) and not to soak the material.

Dieses Produkt besteht aus elastischer Strickware, die mit Polyurethan kaschiert ist, was ihm ein "Wetlook"-Erscheinungsbild verleiht. Der glänzende Stoff ist sehr elastisch und schmiegt sich weich um Ihren Körper und sorgt für ein sehr angenehmes und sinnliches Gefühl. Bei Wetlook-Produkten empfehlen wir, das Material nicht (für längere Zeit) der Hitze oder der Sonne auszusetzen und das Material nicht einzuweichen.

Este producto está hecho de tejido de punto elástico que está laminado con poliuretano dándole un aspecto 'wetlook'. La tela brillante es muy elástica y se ajusta suavemente alrededor de su cuerpo para una sensación muy cómoda y sensual. En el caso de los productos wetlook, se aconseja no exponer el material al calor o al sol (durante más tiempo) y no empapar el material.

Ce produit est fait de tricot élastique qui est laminé avec du polyuréthane, ce qui lui donne un aspect mouillé. Le tissu brillant est très élastique et s'adapte parfaitement à votre corps pour une sensation de confort et de sensualité. Pour les produits wetlook, nous vous conseillons de ne pas exposer le matériau à la chaleur ou au soleil (pour un temps plus long) et de ne pas le faire tremper.

Questo prodotto è realizzato in maglieria elastica laminata con poliuretano che gli conferisce un aspetto "wet-look". Il tessuto lucido è molto elastico e si adatta perfettamente intorno al corpo per una sensazione molto confortevole e sensuale. Per i prodotti wetlook si consiglia di non esporre il materiale al calore o al sole (per un periodo più lungo) e di non immergerlo.

Этот продукт выполнен из эластичного трикотажа, ламинированного полиуретаном, придающего ему вид «мокрого». Глянцевая ткань очень эластична и плавно одета вокруг вашего тела для очень удобного и чувственного чувства. Для продуктов с мокрым дизайном мы предлагаем не подвергать материал воздействию тепла или солнца (в течение более длительного времени), а не впитывать материал.

Hand wash at maximum 30C. Do not wash in washing machines. Do not iron. Do not clean chemically. Do not clean with chlorine. In case of soil use a soft, wet cloth soaped in scentless soap to gently clean the product.

Genuine Leather

This product is made of genuine leather. The leather may contain imperfections. This does not affect the quality and durability of the product but underlines its natural character. Temperature (both high and low) and humidity might have an effect on leather.

When not taken care of properly leather becomes dull, stiff and crumbly.

Dieses Produkt ist aus echtem Leder hergestellt. Das Leder kann Unvollkommenheiten enthalten. Dies wirkt sich nicht auf die Qualität und Haltbarkeit des Produkts aus, sondern unterstreicht seinen natürlichen Charakter. Temperatur (sowohl hoch als auch niedrig) und Feuchtigkeit können sich auf Leder auswirken. Wenn das Leder nicht richtig gepflegt wird, wird es matt, steif und krümelig.

Este producto está hecho de cuero genuino. El cuero puede contener imperfecciones. Esto no afecta a la calidad ni a la durabilidad del producto, pero subraya su carácter natural. La temperatura (tanto alta como baja) y la humedad pueden tener un efecto sobre el cuero. Cuando no se cuida adecuadamente, el cuero se vuelve opaco, rígido y desmenuzable.

Ce produit est fabriqué en cuir véritable. Le cuir peut contenir des imperfections. Cela n'affecte pas la qualité et la durabilité du produit, mais souligne son caractère naturel. La température (haute et basse) et l'humidité peuvent avoir un effet sur le cuir. Lorsqu'il n'est pas pris en charge correctement, le cuir devient terne, rigide et friable.

Questo prodotto è realizzato in vera pelle. La pelle può contenere imperfezioni. Ciò non influisce sulla qualità e sulla durata del prodotto, ma ne sottolinea il carattere naturale. La temperatura (sia alta che bassa) e l'umidità possono avere un effetto sulla pelle. Quando non viene maneggiata correttamente, la pelle diventa opaca, rigida e friabile.
