RECHARGEABLE VIBRATOR

## ULTRA VIBRATION WITH 10 RHYTHMS

Extend USB cable included.  
Material: Silicone, ABS.

### Technical data:

Maximum surrounding temperature when using: 40°C.

Maximum charge voltage: DC 5V / 500mA-1.5A.

Battery capacity: 500 mAh.

First time recommended charging period: 4 hrs.

Operating time: 30 to 90 mins depends on various rhythms.

3,7V - 1.85Wh Li-on battery is used and built-in inside the device.
