PIPEDREAM EXTREME[®] DOLLZ

Dear Friends,

The wait is finally over—our high-end love dolls are back in stock and better than ever! Two years ago, overseas production of premium love dolls came to a screeching halt, leaving the market void of realistic, inflatable life-size love dolls—until now! We're proud to introduce the Pipedream Extreme Dollz[®] collection, a 19-piece assortment of luxury love dolls offered at three distinct price points: Entry Level, Mid Range, and Deluxe.

We've created an inflatable love doll to satisfy every niche and explore every fantasy. From entry level dolls with printed faces and PVC pussies and asses, to deluxe dolls with 3D-molded heads and lifelike hair, we have the most comprehensive assortment of inflatable vinyl dolls in the world.

Every Pipedream Extreme Doll[®] has been designed to resemble the model on the box. From their faces and hair color, to their breast sizes, we wanted to make each doll unique and we paid attention to every little detail. Just like our Pipedream Extreme Toyz[®] line of Mega Masturbators, our Deluxe dolls feature removable Fanta-Flesh[®] pussies and asses, hair you can run your fingers through, firm breasts with silicone nipples, and lifelike feet and hands that will satisfy any level of user! We know fans want the most realistic experience possible at a price that won't break their budget, and we're giving it to them with the Pipedream Extreme Dollz[®] collection.

Like all Pipedream[®] brands, the Pipedream Extreme Dollz[®] are part of an eye-catching 19-piece planogram that's sure to be a welcome profit-center in any retail environment! The easy-to-setup planogram includes complimentary signage, giving store owners everything they need to effectively merchandise the brand and create stunning visual displays. Check out the planogram on the following page to see how amazing the complete Pipedream Extreme Dollz[®] collection will look in your store, or design your own custom wall using our state-of-the-art planogram software.

We know that great customers are the key to our success and we're working harder than ever to improve every aspect of our business. Our global merchandising team is ready to visit your store and assist with in-store training, planogram merchandising, and provide promotional materials and signage. We hope you enjoy our new Pipedream Extreme Dollz[®] supplement and we thank you for your continued support!

Sincerely,
Nick Orlandino
Chairman and CEO
