EGG

The intelligent 4-in-1 pressure sensitive wellness massager.

Sola, it's all about *you!* We believe that expressing your sexual wellbeing and exploring new depths of relaxation is of utmost importance. Our products here at Sola reflect this ideology. We want to provide our users with the ultimate massage experience. Sola puts pleasure and relaxation in your hands, allowing you to control the intensity.

Our innovative pressure sensitive technology allows the user to customize their massage through touch. Sola Egg responds to you! We have designed 4 unique silicone sleeves that allow for endless massage options. The choice is up to you!

pressure sensitive

Responds to your touch. The more pressure applied, the stronger the vibration level.

multi-speed

Higher vibration speeds when more pressure is applied and lower speeds when light pressure is applied.

waterproof

Submersible, durable, and easy to clean.

hygienic

Our interchangeable premium silicone sleeves are 100% phthalate free and body safe.

discreet

Egg's design is elegant and trendy. Charge it anywhere you like!

portable

Egg is 4" in height. It is small enough to put in your purse, bag or luggage for your next trip.

less pressure
softer + slower
vibrations

more pressure
faster + deeper
vibrations

lock function

captures just the
right vibration speed
