WATER BASED LUBRICANT

XSensual

The XSensual serie is a real eye-catcher. The glossy silver label and cap gives the bottle an elegant appearance which complements the quality of the product.

All products are made in the Netherlands with 100% natural ingredients. They have been developed with the greatest care in order to match the woman's natural lubrication as close as possible. XSensual lubricant provides a long lasting lubrication without getting unpleasant and sticky.

WATER BASED LUBRICANT

XSENSUAL

XSensual lubricants are made with dermatological tested ingredients and are PH-neutral. Since these lubricants work as a moisturizer no skin or mucosa irritation will occur.

There are eight different versions of XSensual lubricant. Besides Natural, Cooling, Warming and Women Warming there is Anal (with a natural endorphin for local relaxation), Prolonging (with delay effect) and the two delicious flavours Pina Colada and Amaretto.

XSensual lubricants most important features:

- 100% Natural
- Non-sticky
- Odourless
- Toy safe
- Rinses off easily
- Edible
- Doesn't dehydrate
- Latex safe
- Doesn't stain
